BoardSpot is an online board portal built to facilitate the management of nonprofit committees, meetings and documents in a single location.

Meetings

Collect RSVPs, track attendance and automatically sync calendars across all devices.

Members

Organize unlimited board, staff, and guest members into a simple directory with easy to change permissions.

Committees

Leverage unlimited committees to quickly connect members and share documents.

Votes

Easily record votes, control the presentation of results, and set deadlines.

Security

Store board documents exclusively on encrypted servers and transmit them across secure connections.

Documents

Provide members with instant access to the board's most important documents.

“

Using a board portal for our Board of Trustees did not seem possible due to cost until I found BoardSpot. BoardSpot provides a simple design providing easy access to items most pertinent to board members. The customer service is superb... I highly recommend BoardSpot.
